Description :

PDF-79a9c | This book recounts the tragic story of Dan Logan, bright student and rugby player, and his sudden, unexpected battle with cancer. It follows his diagnosis, and subsequent treatment and care in three different hospitals, all over the space of seventeen days. It is an honest, emotional account of how a vibrant young man fought cancer in a brutally short space of time, and the harrowing effect it has... *17 Days: The Shocking True Story of Dan's Cancer Diagnosis*
