Description :

PDF-ce7a4 | Traditionally, eating disorders have been associated with teenage girls and young women. But increasing numbers of teenage boys and young men are exhibiting the classic signs of anorexia, bulimia and other eating disorders. In "Anorexia Boy Recovery Part I - 2011" (based on the 2011 posts of her popular online blog) Bev Mattocks describes how, in 2009, her family gradually realised that their 15 y... *Anorexia Boy Recovery: A mother's blog about her teenage son's recovery from anorexia Part I - 2011*
