Description :

PDF-99ee0 | The first book-length critical and historical account of an ultramodern architectural movement of the 1960s that advocated "living equipment" instead of buildings. In the 1960s, the architects of Britain's Archigram group and Archigram magazine turned away from conventional architecture to propose cities that move and houses worn like suits of clothes. In drawings inspired by pop art and psychedeli... *Archigram: Architecture without Architecture (MIT Press)*
