Description :

PDF-00a04 | The Archisutra is a design manual giving you the necessary data for a selection of sex positions, using annotated scale drawings and informative descriptions. Swiss architect Le Corbusier coined the phrase 'machines for living', within his book, 'Towards an Architecture' in 1923. Sex plays a large role in society and everyday life. So, why is it so often overlooked when an architect desig... *The Archisutra: The handbook's final chapter*
