Description :

PDF-43e47 | The Islamic garden is regarded as one of the highest forms of visual art in the civilization of Islam. The principal elements are water and shade; they are also characterized by the chahar-bagh: a four-fold pattern, constructed around a central pool or fountain, with four streams flowing toward the four corners of the earth. Aesthetically, this design provides a striking feature in itself; however... *The Art of the Islamic Garden*
