Description :

PDF-a2967 | Millions of families are affected by eating disorders, which usually strike young women between the ages of fourteen and twenty. But current medical practice ties these families' hands when it comes to helping their children recover. Conventional medical wisdom dictates separating the patient from the family and insists that 'it's not about the food', even as a family watches a child waste away be... *Brave Girl Eating: The inspirational true story of one family's battle with anorexia*
