Description :

PDF-bef7d | Canaletto (1697–1768) was the archetypal Venetian painter and printmaker. His superlative cityscapes record views of the ancient monuments and famous modern buildings of European cities that are now familiar and beloved throughout the world—none more so than the works depicting his native Venice. His lively, yet elegant paintings and prints were enthusiastically collected by foreign patrons,... *Canaletto and the Art of Venice*
