Description :

PDF-80e30 | Other than having three points on my driving licence many years ago, I had never committed a crime or been on the wrong side of the law. As far as computers were concerned, I was pretty much a late learner - being well into my forties when I bought my first desktop computer. I was truly amazed at the internet and what could be learnt - opening up a world of information. I had become a member of th... *Click, Click, Bang!*
