Description :

PDF-de756 | This original and wide-ranging study clarifies the meaning of Social Darwinism and demonstrates its relevance through a study of European and American social and political thinkers. It is the only study of Social Darwinism that combines the study of individual thinkers with the distinctive ideological themes (e.g., eugenics) and does so in a comprehensive historical and comparative framework. A wi... *Social Darwinism in European and American Thought, 1860-1945: Nature as Model and Nature as Threat*
