Description :

PDF-60b9d | This is the true story of an ordinary young woman in her early twenties, who experienced psychosis naturally due to the stress of over-working, as well as a delayed reaction to having been in Manhattan on 9/11. It details what psychosis feels like and how the experience affected Olivia long-term. It is an uplifting read showing how, after a few years of illness, and with an altered approach to lif... *Diagnosis: Psychosis*
