Description :

PDF-d4fda | Half-timbered houses, cottages and barns are a familiar feature of the landscape, but only rarely do we have an opportunity to see below the surface and understand how they were planned and constructed. Timber-framed buildings catch the imagination of those who work with them because of their beauty, their strength and the quality of the material of which they were made: English oak. Many thousand... *Discovering Timber-framed Buildings (Shire Discovering)*
