Description :

PDF-05cfe | The local church is a familiar landmark in every town, city and village. The story of its past is the story of the people for whom, down the centuries, it was the center of the community. But how many people actually understand the reason for it being built in a particular place, how it was constructed, or why it was decorated in such a style? Discovering the information can sometimes be difficult... *English Churches Explained (Britain's Living History)*
