Description :

PDF-4126f | For his exploits and astuteness, Roland de Vries has rightfully been called the 'Rommel of the SADF'. In this forthright, warts-and-all but compassionate autobiography he recounts the fascinating story of the transformation of a small, colonial army into, pound-for-pound, the best fighting force on the planet. "Eye of the Firestorm" could be used to enhance the teaching within the military, se... *Eye of the Firestorm: The Namibian - Angolan - South African Border War - Memoirs of a Military Commander*
