Description :

PDF-4ef15 | Like all mothers, Henrietta had imagined a bright and normal future for her children - but this particular joy was not to be. Her first son, Henry, was born quadriplegic and it was assumed that he was severely brain-damaged. Four years later, after reassurances that a healthy second child was possible, Freddie arrived with critical internal malformation. On top of this it later emerged that he was... *Henrietta's Dream: A Mother's Search for a Better Life for Henry and Freddie*
