ISBN : #0582301548 | Date : 1994-03-09

Description :

PDF-fb81a | Provides an international history of urban development, from its origins to the industrial revolution. This well established book maintains the high standard of information found in the previous two editions, describing the physical results of some 5000 years of urban activity. It explains and develops the concept of 'unplanned' cities that grow organically, in contrast with 'planned' cities that ... *History of Urban Form: Before the Industrial Revolutions, 3rd Edition*
