Description :

PDF-15a37 | Pamphlet Architecture was begun in 1977 by William Stout and Steven Holl as an independent vehicle for dialogue among architects, and has become a popular venue for publishing the works and thoughts of a younger generation of architects. Small in scale, low in price, but large in impact, these books present and disseminate new and innovative theories. The modest format of the books in the Pamphlet... *Pamphlet Architecture 12: Buliding;Machines*
