Description :

PDF-a4c59 | A unique guide to architecture, and a radical, personal and entertaining appraisal of eight of Britain's most controversial buildings. Béton brut or 'raw concrete' was a term coined by Le Corbusier and appropriated by two young British architects in the 1950s to describe a new kind of building: austere, unadorned, monolithic, confrontational and constructed almost entirely in concrete.... *Raw Concrete: A Field Guide to British Brutalism*
