Description :

PDF-8347a | In 1998 in Buenos Aires, five women began a series of conversations about their memories of torture in the ESMA, the School of Naval Mechanics, twenty years before. In 1976 the Armed Forces seized control of Argentina and initiated the National Reorganization Process, which led to the quiet disappearance of 30,000 people, most taken from their homes at night by armed individuals in civilian dress. ... *That Inferno: Conversations of Five Women Survivors of an Argentine Torture Camp*
