Description :

PDF-35419 | Few gave tiny Singapore much chance of survival when it was granted independence in 1965. How is it, then, that today the former British colonial trading post is a thriving Asian metropolis with not only the world's number one airline, best airport, and busiest port of trade, but also the world's fourth-highest per capita real income? The story of that transformation is told here by Singapore's ... *From Third World to First: Singapore and the Asian Economic Boom*
