Description :

PDF-c323d | A global look at contemporary, ingenious, and yet comfortable transformations of former industrial spaces into stylish modern residences. As space for land development in cities shrinks and city dwellers tire of cookie-cutter apartment towers, a love for historical buildings has returned. The initial interest in "lofts" began in SoHo, New York, in the 1970s, and the love of warehouse buildings?oft... *Warehouse Home: Industrial Inspiration for Twenty-First-Century Living*
